

Because of the spike in Covid cases, we only have a small staff here in Quincy.

Office visits are for emergencies only.

We are not taking payments at this time as our accountant is working from home. You can call in a payment to the insurance company, pay online or by mail.

Our claims staff is working remotely. Please call 617-472-3000 and we will connect you with Phyllis or Genn.

If you require assistance in person, please knock and our receptionist will assist you.

Thank you.
